Agenda

1. New Member Orientation
    - TM Prem suggested conducting one-to-one orientation sessions for the new members, given that only two members were involved.
    - TM Jaidev suggested assigning a member to guide each new member and help them prepare speeches so that they can become familiar with the process.
    - A short question-and-answer session via Google Meet was proposed as part of the orientation.
    - TM Jaidev advised against scheduling the orientation after the lab FAT, noting that hostellers would be in a hurry to pack their belongings. He suggested conducting it the following day instead.
    - TM Sriram shared his perspective on the new-member batch based on his experience as the New Member Chair.
    - The one-to-one New Member Orientation session was scheduled for Tuesday, 20 October 2026, at 7:30 pm.
2. DCP Status
    - TM Jaidev shared his screen and announced that 3 out of 10 DCP points had been achieved.
    - TM Jaidev appreciated TM Mawiya for bringing in six new members, establishing a base for the next phase of membership growth.
    - Four Level 1 goals had been completed, and two additional Level 2 completions were also mentioned.
    - TM Jaidev stated that the mentor groups would be revamped and a public progress tracker would be implemented before the end of his term as VPE.
    - TM Mawiya was congratulated for implementing the leaderboard system.
    - The new-member group was encouraged to ensure that every member completes at least one level.
    - TM Sai Siddharth was appreciated for improving the club's social media page and continuing meetings that were both fun and educational.
3. Mentor Group Updates
    - TM Sai Siddharth and TM Jaidev reported that a baseline had been established in their mentor groups and that members were expected to begin working on their goals soon.
    - TM Prem and TM Viswa described a similar situation in their groups: some members had initially participated in discussions, but engagement had since become quiet.
4. Ideas Proposed by TM Viswa to Improve Retention
    - TM Prem, TM Sai Siddharth, and TM Jaidev discussed organizing a club-wide outing, with Phoenix Marketcity suggested as one possible destination.

- Other trip suggestions led to some confusion about the location. The group discussed holding an outing for the entire Exordio club soon after FAT concludes.
- An informal get-together at the Gazebo or North Square was suggested as another option.
- TM Viswa suggested Weekly lunch-time bonding sessions were suggested to strengthen relationships among members. This would reflect directly in active participation and also during renewals.

5. Division Council Meet - 21 October

- Celebrations, challenges, and callouts discussed during the Area Council Meet were identified for further discussion at the Division Council Meet.

Celebrations

- TM Sai Siddharth discussed how the Exordio VIT social media page had been used to support the club.
- TM Mawiya discussed value selling and overall retention.

Challenges

- TM Mawiya noted that the challenges were specific to individual clubs.
- TM Jaidev mentioned that theme meetings would be implemented at a later stage.

Callouts

- Callouts from the Area Council Meet were noted for further discussion at the Division Council Meet; specific callouts were not detailed in the meeting notes provided.

Key Moments

- The New Member Orientation was planned as a one-to-one session for 20 October 2026 at 7:30 pm, with a short Google Meet Q&A proposed.
- The club had achieved 3 of 10 DCP points, and six new members were credited to TM Mawiya's efforts.
- Mentor-group revamping and a public progress tracker were planned before the end of TM Jaidev's VPE term.
- Club-wide outings, informal meetups, more Table Topics, and weekly lunch bonding sessions were discussed as ways to improve member retention.
- The Division Council discussion was set to build on Area Council conversations about celebrations, club-specific challenges, and callouts.

~The meeting was adjourned at 9:53 pm.~
