Moments

1. Club Contest

- TM Prem mentioned that the Club Contest is scheduled for 13th September.
- Exordio and Oratio will conduct a club contest on the same day.
- Aletheo and Sophro will conduct on 12th September.
- One contest will be conducted in the morning session and one in the afternoon session.
- TM Prem has reached out to a few Chief Judges and is waiting for their replies.
- Roleplayers for the contest need to be formed.
- Members will be asked whether they are participating in the Humorous Contest, Evaluation Contest, both, or neither.
- Members who select neither can be encouraged to take supporting roles such as SAA, Timer, etc.
- The roles can be played by either members of Exordio or other clubs.

- TM Jaidev suggested discussing the contest during Wednesday's orientation meet for the new joinees.
- Members who have already been in club for more than a term can take up Contest Chair role, as they would be familiar with how contest flow works and can help successfully organise it.
- TM Prem explained that the Contest Master is the host of the event who starts the script, reads the rules, and manages the flow of the contest.
- The Contest Chair is responsible for organizing the event, coordinating with the Chief Guest, reaching the event, collecting documents from each speaker, and asking individual questions at the end.

2. New Member Orientation

- TM Jaidev suggested that the orientation should be conducted as an informal meeting.
- The orientation is planned for 26th August.
- The session will include an introduction to Toastmasters and Pathways.
- Meeting roles and different Pathways will be explained to the new members.
- A Skribbl session and Table Topics session will also be included.
- TM Akshith Srinivas suggested having an introduction, Pathways introduction, and an explanation of what new members can look forward to and choose.
- TM Chandra mentioned that she would be available on Wednesday for the new member orientation and was planning to conduct it as her level completion.
- It was discussed that new members should get a good understanding of Toastmasters.
- Existing members were encouraged to take up meeting roles so that new members can become familiar with the different roles.
- New member roleplayer orientation was discussed for 30th August, with 3rd and 9th September also considered.
- TM Mawiya suggested that EXCOM members should turn on their videos during online meets.
- It was also suggested that attendees turn on their videos at the beginning so that members feel more comfortable.
- TM Akshith Srinivas suggested JAM or Shipwreck as possible activities.
- TM Sai Siddharth suggested Skribbl or another .io game.

3. Updates from the Previous Meet

- TM Mawiya suggested adding points every month and maintaining the accumulated points as a total leaderboard.
- An award poster can be created whenever a leaderboard is released.
- TM Sai Siddharth suggested planning game sessions before meetings and advertising the game session in advance.

- It was suggested that Table Topics can be made more funny and humorous to encourage members to participate and make the meetings feel less strict.
- Screenshots of Table Topics can also be taken for further use.
- The long-term pipeline of Exordio was discussed.
- A VPM Committee was proposed similar to the existing PR Committee structure so that the VPM can receive additional assistance.
- TM Prem suggested that the VPM Team should consist of active members, particularly members who participate in offline meetings.
- The VPM Committee would focus on interacting with members who may feel left out during meetings.
- TM Prem passed the motion to form a VPM Committee consisting of the VPM and AVPM to ensure that meetings are well maintained.
- The motion was passed to create the VPM Committee to assist the Vice President Membership and Associate Vice President Membership, ensuring that no member gets left out during meetings and that the member experience meets the expected standard.
- TM Prem suggested recognizing first-time roleplayers at the beginning of their respective meetings.
- TM Mawiya asked whether existing members could fill the member interest form.
- Member Feedback and Member Interest Survey forms will be shared during the next online meet after the new member orientation to collect feedback.
- TM Sai Siddharth suggested that offline meetings should start and end on time.
- TM Akshith Srinivas suggested having a maximum of three speakers in the speech slot during offline meetings.
- TM Prem suggested having a rotation of speeches and Table Topics speeches from the next offline meeting and integrating Table Topics with speeches.
- TM Rashmika suggested limiting the Technique Master segment to a maximum of 3 minutes.
- TM Akshith Srinivas suggested having a timer card for the Technique Master.
- The VPE and TMOD will coordinate with the Technique Master regarding the timing.
- TM Mawiya suggested adding the Technique Master role to the leaderboard once members become familiar with the role.
- TM Rashmika suggested that the Technique Master could write the Technique of the Day on the board.
- TM Prem suggested sharing the Technique of the Day in the TMI VIT ROLE CALLS group chat.

4. Mentor System Revamp

- TM Prem suggested revamping the existing mentor system during the MoT session.
- It was proposed that two mentor groups could be merged.

- Each group would have 2 mentors and 9 mentees.
- TM Mawiya suggested understanding how the existing mentor system works before implementing the revamp, as not everyone was familiar with the current system.
- It was emphasized that members should be able to approach their mentors whenever they require support.
- Two additional mentors were identified as being required for the revised system.
- TM Jaidev and TM Sai Siddharth were nominated as the two additional mentors.
- The revised mentor system can be implemented after the new member orientation.
