# Second ExCom meet MoM

Date: 1st July 2026
Planned to start at 8:00 pm
Started at 8:05 pm
Adjourned at 9:18 pm
(73 mins)

5 ExCom members were present 2 ExCom members were absent

# Agenda

1. Meeting Structure Rework

- Discuss improvements to the overall meeting structure to enhance member engagement and learning.
- First time role player recognition by PO at the start. VPPR to make Poster, VPE and VPM coordinate to maintain meet attendance and roles played spreadsheet
- Technique of the Day Segment after Grammarian role. 3-5 minute segment where the role player researches and explains one speech technique to the club in each meet to grow as a speaker

2. Club Contest Planning

- Discuss the tentative timeline for conducting the club-level speech contests.
- Review contest requirements, eligibility, and planning responsibilities.
- Humorous speech and Evaluation contests don't have level completion requirements.
- Discuss the Judge Training Program, its importance in maintaining contest standards, and identify potential role players for the training session.
- Atleast 2 members of the club should have attended JTP(Online or Offline), as criteria to become contest judge
- Final Tentative Date for club contest: 23rd August 2026
- Contest Chair and Roleplayers will be finalized in the next ExCom meet

3. Planning for the 50th Milestone Meeting

- Brainstorm special events, recognitions, guest invitations, and meeting highlights.
- ExCom Instillation to be conducted during this meet.
- Discuss coordination and confirmation with the Area Director and Division Director regarding their participation and support.
- Final Tentative Dates : 25th July 2026(Saturday), alternatively 22nd July 2026(Wednesday)
- As mentioned by TM Sriram Balaji, we can have it as a joint milestone meet with Aletheo VIT and Oratio VIT.
- Alternatively, each club can have a milestone meet in a separate meet when other 2 clubs don't have a meet(like last term).
- Event chair, roleplayers and guests to be finalized after Div F OTP.

4. Moments of Truth (MoT) Session and New Member Orientation

- Atleast one MoT must be conducted in each term towards the start of the term, by each club
- Tentative date: 18th July 2026 or 19th July 2026 (online)
- Chairs for MoT will be finalized after OTP along with the new format for better engagement
- **New Member Orientation:** Date not finalized, TM Chandra K requested to be the conductor for the new member orientation
- Remaining teams will be finalized later

5. Club DCP (Distinguished Club Program) Overview

- Club Success Plan(CSP) to be made after OTP only as requested by the Area Director
- Educational Points, - Pathway Completion (1) - TM Prem SR
- L4 Completion - TM Sriram B or TM Viswa Danuskka
- L1 and L2 Completion - Encourage members to complete L1 and L2 completions
- L3 completions - 2 L3 completions are the expected bottleneck
- Ensure NextGen is used fully to satisfy new member based DCP points

6. Strategy for Increasing Meeting Participation

- TM Mawiya has prepared a points based reward system based on attendance and roles taken.
- VPM and VPE will coordinate to implement this in the next meet itself
- Develop outreach strategies with special focus on engaging law school students and encouraging them to take up meeting roles.
- Leaderboard posters can be posted twice a month
- A memento or some reward can be given to the winners at end of term
- TM Prem suggested mentor system revamp could also incorporate this system to ensure success.

7. Introduction of the Active Listening Master (ALM) Role

- Discuss the proposal to introduce the Active Listening Master (ALM) as a new meeting role.
- TM Akshith Srinivas mentioned the idea. Other attendees mentioned meeting timing should also be kept in mind.

8. Club Website Creation

- TM Jaidev proposed creating a club website along with TM Siddharth Sai. He said he will incorporate TM Mawiya's spreadsheet as well.
- Idea is proposed to ensure members get recognition and also clear metrics of club and individual progress are visible to non-ExCom as well.
- Pathway tracker will be implemented for members can plan and execute their progress throughout their term.

9. TM Prem concludes the presentation

*-Agenda is covered-*

Key Moments

- TM Prem SR gave the quorum of the meeting at 8:04 pm and was answered by TM Akshith Srinivas
- TM Sriram Balaji suggested the technique of the day along with the TAG role introduction
- Improvement of the table topic sessions was discussed
- For the milestone meet, it was discussed by TM Prem SR to conduct the consult the area director and division director, and it was agreed that it would be happening offline with the ExCom installation, one speech and TTM and it's tentative date is 22/06/2026
- TM Sriram Balaji suggested whether the milestone meet would be a joint meet between Aletheo VIT, Exordio VIT and Oratio VIT
- TM Mawiya Anjum suggested 25/06/2026 as the alternate date for milestone meet
- TM Prem SR then proceeded to discuss about the MoT session, he mentioned there would be an MoT speaker and that meeting will discuss the clubs' categorization and progress, ending with a Q&A session using a 5-star voting rate
- TM Siddharth needs to be intimidated for making posters for MoT segment and was discussed that the tentative date will either be on 18/06/2026 or 19/06/2026
- There was supposed to be a new-member orientation of 2 members
- TM Jaidev suggested that there would keep NextGen meets with priority speeches from people of Law School
- TM Jaidev suggested to avoid confusion we must keep a website with bare-minimum public tracker and he suggests to skip meet 59 and stores all data starting from meet 60 with a full clarity oriented approach
- He also suggested for more fun themed meets and change of roles after all rolecalls are filled and also suggestion of security of the roles
- TM Prem suggested the DCP will be discussed during the OTP

- TM Prem keeps a new standard of meets like standardization of 3 or 4 speaker speeches every meet with multiplier of sorts
- TM Mawiya made an excel sheet with the meetings mentioning about attendance points, role points having TAG team with 20 each, speaker with 40 points and TMOD, TTM and speech evaluation with 30 points each, with new guest having 20 points which can increase the probability of converting guests to members
- The poster will be made for the people who do first time roleplaying with level completion
- TM Akshith Srinivas suggested the idea of ALM which will help to improve the listening skills of members and make the meeting have a memorable experience

*The meeting is adjourned.*
